### **Detailed Action**

#### ***Response to Amendment***

Claims 9-18 are pending. This action is in response to the remarks received March 31, 2008.

#### ***Response to Arguments***

Applicant's arguments with respect to claims 9-18 have been considered but are moot in view of the new ground(s) of rejection.

#### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 9-18 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite in that it fails to point out what is included or excluded by the claim language. This claim is an omnibus type claim. The term "how well" is unclear in claims 9 and 17.

Claims 10-16 and 18, which depend on claims 9 and 17 also fail the test above because they are dependent on claims 9 and 17.
